Ref. 2714

Reference	2714
Composition	ABS
Material	ABS
Average weight	0.3
Dimensions	11,3 x 9,9CM
Country of origin	China
Carton	30 pieces

DESCRIPTION

Compact Listoo+ speaker in ABS with an RPET fabric covering and bamboo detail on the top. Built for portable use, it includes a 1200 mAh Li-ION battery providing about 3 hours of playback, an SD card slot, AUX input and USB port. Measuring 11.3 x 9.9 cm, it features a subtle ambient light base ideal for desks and reception areas.

The finish pairs rigid plastic with recycled textile for a contemporary yet warm look; the speaker has a rounded shape with no visible fixings and is easy to position. The ambient light base enhances its presence and the unit comes with an AUX/USB cable. Certain bamboo components are FSC®-certified as stated by the supplier.

Customisation options for companies, clubs, associations, events or promotional gifts include digital printing, doming, laser engraving, pad printing and screen printing on objects depending on the imprint area. This is not a textile item — minimum order 15 pieces (colours and sizes combined). personalised speaker
