DESCRIPTION

The Ruby ceramic mug holds 300 ml and is made from stoneware for everyday use at the office or home. Its soft-touch exterior improves grip while the interior and rim are finished in a contrasting glazed colour. The straight-sided shape and ergonomic handle make it comfortable to hold. It is offered in several colour options such as Red, Royal Blue and Stone Grey.

Each mug is presented in an individual white cardboard box, suitable for giveaways or merchandising. Compact dimensions (Ø8.2 x 9.6 cm) mean it fits well on shelving and in display units. Regular handwashing is recommended and avoid strong impacts to preserve the surface finish.

Customisation is available via laser engraving, providing a precise, long-lasting mark. Minimum order: 12 pieces (colours and sizes combined). Ideal for companies, clubs, associations, events and personalised gifts for individuals; our design studio can prepare or vectorise your logo for engraving.
