Reference	2722
Composition	TPE
Material	TPE
Average weight	0.036
Dimensions	3,2 x 1,2 x 20CM
Country of origin	China
Carton	250 pieces

DESCRIPTION

This phone accessories item is a compact keyring with a 2-in-1 charging cable made from recycled TPE, designed for convenient everyday carry. It features a USB-A plug and multiple outputs that allow charging of watches (Samsung and Apple) and devices via two type-C connectors plus a micro-B. The flat cables reduce tangling and the metal ring makes attachment to a keychain or bag easy. Wipe clean with a damp cloth.

The top module shows a circular base with an attachment ring and a rectangular body housing the flat leads. The matt finish and understated design suit daily use, and the compact dimensions make storage straightforward.

Customisation available by digital printing, doming or pad printing. Ideal for companies, events, trade shows, clubs or client gifts. Minimum order: 125 pieces (colours and sizes combined) — free quote within 24 hours on weekdays and production under our standard conditions.
