DESCRIPTION

Compact rechargeable torch in recycled aluminium, model Flashra, designed as a practical everyday tool. With dimensions 2.9 x 2.9 x 11.2 cm and a knurled body for improved grip, the side switch cycles through three brightness levels and a zoom function adjusts the beam. It features an integrated 800 mAh rechargeable battery and comes with a charging cable. Available in several colours, for example Black, Blue and Matt Silver, it wipes clean with a dry cloth.

The torch is extendable and the aluminium housing provides robust feel for routine use. The knurled sections on the head and body enhance handling, while the lens is protected by a metal bezel. Its compact, lightweight profile makes it easy to carry in a pocket or tool bag.

This personalised torch can be marked by laser engraving and pad printing (laser engraving, pad printing). Minimum order: 50 pieces (colours combined). Suitable for companies, sports clubs, associations, events and promotional gifts. Free quote within 24 hours on weekdays and our studio can prepare or vectorise your logo.
