DESCRIPTION

The Usbnote A5 notebook is designed for professional and promotional use: a hard cover made from recycled polyester (58%) and PU (42%), 160 lined pages on recycled paper (80 sheets) and an integrated 16 GB USB stick to store files. Compact dimensions (14 x 21 x 1.4 cm) with a glued spine make it practical for everyday note-taking. This item is not textile and suits businesses, clubs and events.

The notebook features an elastic closure and a matching ribbon bookmark, with neat finishing touches and rounded corners visible in the image. The USB is housed within the cover for easy access without weighing down the pad. Care is limited to wiping the cover when needed; the paper is made from recycled fibres.

Customisation options include embossing, screen printing on object, multicolour transfer, flex, digital printing, doming and pad printing. Minimum order quantity: 20 pieces (colours and sizes combined). Ideal for companies, sports clubs, associations, schools, events and individuals looking for a personalised notebook.
