DESCRIPTION

The Siroter 2-in-1 wireless charger in ABS includes a ceramic mug (250 ml) and combines a 15W wireless charging pad with an integrated mug warmer that keeps drinks up to 50°C. Compact (15 x 11.5 x 1 cm) and designed for office or promotional use, it is easy to maintain and sturdy thanks to its ABS construction. Suitable for business gifts and event giveaways.

The rectangular base houses a circular charging area, a touch panel with three temperature settings and three LED status indicators. Power is supplied via the included USB cable. The ceramic mug fits neatly onto the warmer; the clean design simplifies daily handling and cleaning.

Customisation available by screen printing on object or pad printing, making it a practical personalised wireless charger for companies, events, clubs, associations and private gifts. Not sold individually: minimum order 6 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; collection in Evere or delivery in Belgium, France and Luxembourg.
