DESCRIPTION

The Oblo speaker is a compact 5W portable speaker designed for everyday use. Its ABS housing combined with an RPET fabric face gives a compact feel with a mixed plastic/fabric finish. It includes a rechargeable Li-ION battery, an SD card port and an AUX/USB input, providing around 3 hours of playback depending on use. At 9.5 x 4 x 7.5 cm and fitted with a suspension loop, it is easy to carry and attach.

The rounded-rectangle shape and raised control buttons on the top panel make operation straightforward. The attached carrying loop adds practical portability and the ABS casing is simple to maintain. Its size is well suited to office use, events and travel.

This personalised speaker can be decorated using digital printing, doming, laser engraving, pad printing, multicolor transfer and DTF printing. Model Oblo — minimum order: 25 pieces. We personalise for companies, sports clubs, associations, events and private customers; our design studio can retouch or vectorise your logo. personalised speaker
