DESCRIPTION

3-in-1 bamboo wireless charging station with a slim, rounded profile designed to charge a smartphone, a smartwatch (Apple® only) and TWS earbuds. The bamboo surface gives a natural feel and stable support; compact dimensions 16.8 x 6.4 x 0.8 cm with integrated power cable. Suitable for office desks, reception areas or as a corporate gift. Clean with a dry or slightly damp cloth, do not submerge.

The elongated shape and engraved markers clearly indicate each charging zone; the photo shows the slightly chamfered edges and slim thickness that keep the unit unobtrusive. The Recpad model is straightforward to use: plug in and place your devices.

Customisation available by digital printing, laser engraving or pad printing. Minimum order 50 pieces (colours and sizes combined); lower quantities may be possible with additional fees. Free quote within 24 hours on weekdays and an in-house design studio can vectorise or retouch your logo. Ideal for companies, sports clubs, associations, events and private customers as a personalised wireless charger.
