DESCRIPTION

3-in-1 charging station in ABS designed to power a smartphone, TWS earbuds and a smartwatch (iOS only). Its compact conical base supports two separate charging faces and includes a 15 W magnetic phone charger that doubles as a portrait phone stand, keeping the screen visible while charging. The magnetic function is compatible with iPhone® 12 and later.

Measuring 10.2 x 7.1 x 12 cm, the unit features a smooth ABS finish that is easy to wipe clean. The integrated design groups three charging areas without visible cables and offers straightforward placement of devices. Operation is simple: place a MagSafe-compatible phone or an iOS smartwatch onto the designated pad.

This personalised wireless charger can be customised by pad printing or digital printing. Minimum order: 20 pieces (colours and sizes combined). Suited to companies, clubs, associations, events and corporate gifts. We provide a free quote within 24 hours on weekdays and a graphic studio to vectorise or retouch your logo. Collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
