Average weight	0.3
Dimensions	11 x 8,5 x 8,5CM
Country of origin	China
Carton	40 pieces

DESCRIPTION

The Toa portable speaker, measuring 11 x 8.5 x 8.5 cm, delivers 5 W output at 3 Ohm and is housed in durable ABS with an RPET fabric wrap. It includes an 800 mAh rechargeable Li-ION battery for around 3 hours of playback, plus a microSD card slot and AUX/USB connectivity, making it suitable for office use, events or on-the-go listening. Care is straightforward: wipe the ABS and fabric surfaces with a soft cloth.

The cylindrical form features a fabric grille and tactile control buttons for power, volume and play/pause, while top and base surfaces ensure table stability. Its compact proportions make it easy to store and transport without compromising functionality.

Well suited to companies, clubs, associations and event organisers, the Toa can be personalised by laser engraving, digital printing and doming. Minimum order: 20 pieces (colours and sizes combined); smaller quantities are possible with additional fees. Free quote within 24 hours on weekdays; collection from our Evere workshop or delivery in Belgium, France and Luxembourg. personalised speaker
