DESCRIPTION

The Cortona A5 notebook combines recycled paper construction with cotton details and a cork band on the cover, measuring 21x15x2cm. It contains 128 lined sheets (64 sheets) and a ribbon bookmark for quick reference, making it suitable for meetings, desk use and events where a compact, natural-feel notebook is preferred.

The hard cover protects the pages while the cork strip adds a tactile finish and extra grip. The size keeps it convenient to carry in a bag or keep on a desk; the binding provides a stable writing surface. Care is straightforward: wipe the cover with a dry cloth to remove dust.

Order this personalised notebook for companies, sports clubs, associations or events. Available decoration techniques: embossing, laser engraving, screen printing on object, multicolour transfer, DTF printing and flex. Minimum order: 10 pieces (colours and sizes combined). Our design studio can retouch or vectorise your logo before production.
