Carton	40 pieces

DESCRIPTION

This double-wall stainless steel bottle (300 ml, Ø5.8 x 22.7 cm) is made for daily commutes and workplace use. The recycled stainless construction provides improved thermal performance and the safety-lock lid with push-to-open option ensures a leak-resistant seal. Its slim cylindrical shape is comfortable to hold and fits easily into bags and cup holders. It is available in several colours, for example Black, White and Navy.

The flip-top cap with a secure latch prevents accidental openings on the move. The stainless finish offers durability for everyday wear and, with no textile parts, the bottle is straightforward to clean and maintain.

This personalised bottle can be customised by digital printing, laser engraving, screen printing on objects, sublimation, pad printing or doming. Ideal for companies, clubs, associations and promotional events. Minimum order: 20 pieces (colours combined). Our graphic studio can retouch or vectorise your logo; free quote within 24 hours on weekdays.
