DESCRIPTION

The Screy 32-piece screwdriver bit set is a compact ABS kit measuring 10.7 x 7.2 x 4.3 cm, designed for portable use by technicians and DIYers. The set includes a rotating clip holder and a selection of bits for common tasks; the rigid case protects the contents and keeps the bits organised for easy transport.

The clear lid lets users identify bits at a glance and the clip-mounted holder speeds up access on the job. Its small footprint makes it well suited to field technicians, maintenance crews or event giveaways where a practical, durable kit is required.
