DESCRIPTION

Large travel backpack in RPET designed to carry a 17" laptop and weekend luggage. Measuring 34x23x52 cm, it offers a spacious main compartment for clothes plus two padded sleeves for a laptop and tablet. A reinforced rear panel and a top handle improve handling, while padded shoulder straps increase comfort on longer trips. The product is available in several colours (e.g. Black) and is treated as a technical travel accessory.

The design features side compression straps with quick-release buckles, multiple external pockets and a robust construction for frequent use. Padded sections protect electronic devices and the compartment layout helps keep belongings organised for business trips or association travel.
