Reference	2742
Composition	ABS
Material	ABS
Average weight	3.7
Dimensions	33,5 x 23,5 x 56,5CM
Country of origin	China
Carton	2 pieces

DESCRIPTION

The City 20" trolley in ABS is a hard-sided cabin suitcase designed for business and leisure travel. Its ridged shell protects contents while the telescopic handle and four multidirectional spinner wheels ensure easy handling. Dimensions are 33.5 x 23.5 x 56.5 cm. Inside there is a main compartment with internal pockets, a reinforced laptop compartment for a 15" device and a front zipped pocket for documents. A TSA security lock is fitted for travel convenience.

In practical use the ABS construction keeps belongings secure and the finishing details prevent sagging of contents. The case opens by zip and features a top carry handle for short lifts. The photo shows a compact, ribbed hard shell, full 360° wheels and a practical cabin-size profile suited to frequent travellers.

These personalised trolley items can be marked by laser engraving, pad printing (tampography), digital printing or doming. Ideal for companies, sports clubs, associations, events and private customers looking for branded luggage for business trips, corporate gifts or team equipment. Minimum order: 2 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; collection in our Evere workshop or delivery in Belgium, France and Luxembourg.
