DESCRIPTION

Faceted glass in a tilted diamond shape, with a 300 ml capacity. This glass is suitable for water and short spirits such as whisky; its low profile and angled facets give a secure grip and good table stability. Dimensions: 9.5 x 9.5 x 9 cm.

The multi-faceted cut creates an elegant visual effect and appealing light reflections while remaining practical. The rim is smoothly finished and the base slightly reinforced to improve steadiness and everyday durability; handwashing is recommended depending on use and the chosen decoration.
