DESCRIPTION

3-in-1 charging station in ABS designed to power a phone, TWS earphones and a smartwatch (Apple® only). The angled arm houses a 15W magnetic wireless charger that also functions as a phone stand, while the base provides charging for earphones. The ABS construction gives a smooth, easy-to-clean finish suitable for desk or bedside use. Compatible with iPhone® 12 and later models.

The unit features a generous resting area and a raised arm that positions the phone for comfortable screen viewing. Visible charging coil detail and neat finishes reflect a practical design for everyday use in an office or at home.

Customisation available by digital printing or pad printing, appropriate for businesses, sports clubs, associations, events and private customers.
