Reference	2750
Composition	Glass
Material	Glass
Average weight	0.95
Dimensions	19,7 x 14,7 x 6,2CM
Country of origin	China
Carton	10 pieces

DESCRIPTION

Glass lunchbox with an 800 ml capacity, designed to carry meals and snacks. The container is glass and the lid is acacia wood, secured by an RPET elastic band for reliable closure. Its rectangular shape (19.7 x 14.7 x 6.2 cm) makes it easy to store in a bag while offering hygienic food contact and practical capacity. Available in several colours, for example transparent and transparent blue.

The flat wooden lid gives a natural look and can double as a small chopping surface; the elastic band keeps the set firmly closed during transport. The glass is simple to clean by hand — avoid thermal shocks. The regular shape also allows neat stacking for storage.

Customisation options include laser engraving, digital printing, doming and pad printing. Suitable for companies, sports clubs, associations, schools and private customers for corporate gifts, events and shop ranges. Minimum order: 5 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; our artwork studio can prepare or vectorise your logo.
