## DESCRIPTION

Large 450 ml glass mug with a handle and an acacia FSC-certified lid, designed for daily use in offices, cafés or at events. The tall profile and defined handle provide a comfortable grip, while the smooth upper rim aids drinking and cleaning. Main material: glass. Dimensions: 12.6 x 14.5 cm.

The lower section features vertical ribs that improve grip and give a refined look, and a circular panel on the front provides a clear area for marking. The acacia lid helps keep drinks covered and the mug disassembles easily for cleaning. Capacity: 450 ml.

This item is ideal as personalised glassware using laser engraving or pad printing (tampography). Minimum order: 8 pieces (colours and sizes combined) — smaller quantities may be possible with additional fees.
