Ref. 2755

Reference	2755
Composition	RPET
Material	RPET
Average weight	0.22
Dimensions	10,8 x 7,5 x 22,4CM
Country of origin	China
Carton	25 pieces

DESCRIPTION

RPET bottle with a 700 ml capacity, designed for everyday use. The RPET body provides a more sustainable alternative to virgin plastic; the PP flip lid includes an integrated straw and a safety lock to ensure the bottle is leak-resistant. A built-in carry loop makes it easy to transport, and the compact dimensions (10.8 x 7.5 x 22.4 cm) suit backpacks, gym bags and desks.

The bottle features a central silicone band to improve grip and reduce slippage. The locking cap prevents accidental openings and the matte finish helps hide fingerprints. Clean with warm water and avoid abrasive cleaners to preserve the surface and the integrated straw.

This personalised bottle is ideal for companies, sports clubs, associations, schools and events. Available marking techniques: screen printing (object), pad printing, digital printing and doming. Minimum order: 13 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; in-house design studio can vectorise or retouch your logo.
