DESCRIPTION

Lightweight, compact microfibre towel designed for sports and outdoor use. Measuring 30 x 50 cm and made from polyester and polyamide, it offers quick drying and effective moisture absorption in a pocket-sized format. An elastic hanging loop allows easy suspension or attachment after use, convenient for gyms, changing rooms and outdoor activities.

The fabric has a smooth finish with simple hems; its small size saves space in a bag and makes day-to-day care straightforward. It folds down neatly and dries quickly between uses. Available in several colours, for example black, royal blue or lime.

This towel is suitable for companies, sports clubs, associations, events and private customers looking for a promotional item. Personalisation options include embroidery, screen printing, multicolour transfer, DTF printing or flex. Minimum order: 150 pieces (colours and sizes combined).
