DESCRIPTION

Personalised microfibre towel designed for sports and leisure use. The Atoll 70 model measures 70 x 120 cm and is made of 90% polyester and 10% polyamide: lightweight, highly absorbent and quick-drying, it rolls up compactly for easy transport. Its rectangular cut provides a large usable surface for pool, beach or gym activities.

The towel features an elastic hanging loop for convenient drying and storage. Clean finishes and a smooth fabric reduce friction; the surface withstands regular use while remaining easy to handle. Simple to care for, it retains flexibility and absorbency after repeated use.

This towel can be customised using embroidery, screen printing, transfer, DTF printing or flex. Suited to companies, sports clubs, associations, events and private customers. Minimum order: 50 pieces (colours and sizes combined).
