DESCRIPTION

Lightweight microfibre towel 100x150 cm, designed for sports and outdoor use. The unisex Atoll 100 model is made from microfibre (90% polyester, 10% polyamide) and features an elastic hanging loop. Its generous size provides good coverage after swimming or training, and the compact fabric makes it easy to pack.

Details include neatly finished edges and a reinforced hanging loop for practical use. Easy to care for — quick-drying after washing — making it convenient for travel and changing rooms. Available in several colours, for example Black, Blue and Red.

Customisation available for companies, clubs, associations, events and private customers from a minimum order of 25 pieces (colours and sizes combined). Possible techniques: embroidery, screen printing, multicolour transfer, DTF printing and flex. Free quote within 24 hours on weekdays and an in-house design studio can vectorise your logo. A practical personalised towel for branded giveaways and team kits.
