DESCRIPTION

The Island 50 towel is made from 100% cotton, sized 50x100 cm with a dense terry construction at 380 g/m² for good absorbency. It features a classic rectangular cut with a decorative border finish and a practical cotton hanging loop for easy storage and drying. Available in multiple colours such as Black, Blue and White.

The towel's stitched edges and plush terry surface retain softness and performance after repeated washes. At 50x100 cm it is a versatile size for hands or face; the hanging loop promotes air circulation to speed drying and reduce creasing. Care is straightforward with machine washing according to the product label.
