DESCRIPTION

330 ml PP cup designed for everyday use at coffee breaks or events. The single-wall polypropylene body is lightweight and durable, fitted with a silicone sleeve for improved grip and a sliding PP lid to drink from without spilling. Its compact dimensions (8.4 x 7.9 x 11.3 cm) make it easy to carry and store. As a single-wall cup, some heat transfer to the touch may occur with hot drinks.

The cup shows a clean, matte finish and a cylindrical silhouette with a rounded rim and integrated sliding lid visible on the photo. It is available in several colour options, for example Black, White or Petrol, allowing you to match it to your branding. Hand washing is recommended to preserve the silicone sleeve and lid.

Customisation possible as a personalised cup using screen printing on objects or pad printing. Minimum order: 30 pieces (colours and sizes combined); smaller quantities can be considered with additional fees. Suitable for companies, events, clubs, associations and private customers. Free quote within 24 hours on weekdays and an in-house graphic studio to retouch or vectorise your logo.
