DESCRIPTION

The Karta magnetic card holder in PU holds up to 3 credit cards and doubles as a phone stand. Compact at 6.5 x 9.5 x 0.8 cm, it attaches to the back of a smartphone and comes with an additional metal ring for added versatility. The PU finish and edge stitching deliver a comfortable grip and a low-profile, practical look for everyday use.

The card pocket features a top access slot suitable for cards and receipts, while the rear is designed for magnetic attachment to a phone. Reinforced stitching around the edge improves durability in daily use; maintenance is limited to wiping with a damp cloth.

Customisable by pad printing (tampography), screen printing on objects and laser engraving, this personalised phone accessory is ideal for companies, sports clubs, associations and events seeking a useful promotional item. Minimum order: 150 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; standard production and express options depend on stock. Collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
