Ref. 2776

Reference	2776
Composition	Stainless steel
Material	Stainless steel
Average weight	0.175
Dimensions	Ø8 x 10.7CM
Country of origin	China
Carton	40 pieces

DESCRIPTION

The Miyerba yerba mate cup is a double-walled cup made from recycled stainless steel (90% recycled stainless steel, 10% stainless steel). With a 240 ml capacity it is suited to mate or similar infusions. Its slightly flared silhouette and metal rim provide a secure grip while the double-wall construction helps reduce heat transfer. A stainless steel bombilla (straw) and a small cleaning brush are included for easy maintenance.

Built for regular use, the exterior finish offers a comfortable hand-feel and the polished rim simplifies rinsing. Compact dimensions Ø8 x 10.7 cm and stainless construction ensure durability and hygienic use with warm or tepid drinks.

Personalise this cup using screen printing, laser engraving or pad printing for companies, sports clubs, associations, events or individuals. Minimum order: 20 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; standard production, workshop pickup in Evere or delivery in Belgium, France and Luxembourg. personalised cup
