## DESCRIPTION

The Ibera foldable portable fan is designed for outdoor events and leisure use. Made of ABS, it features a slim handle and an adjustable head that folds down for compact storage. Powered by a replaceable 14500 lithium battery (500 mAh), the unit offers three speed settings to suit different needs. Its small footprint (8 x 17.2 x 2.7 cm) makes it easy to carry.

The pictured item shows a protective grille, a single push-button power control, an accessible battery compartment and a side charging port. The smooth ABS finish wipes clean easily. The fan is offered in several colours, for example white, baby pink or baby blue.

This personalised portable fan can be marked by tampography, digital printing or doming depending on the marking area. Well suited to companies, clubs, associations and promotional events; minimum order 50 pieces (colours and sizes combined). Free quotes and an in-house artwork studio are available to prepare your logo.
