DESCRIPTION

This 1 L RPET bottle (Utah Remax) is designed for everyday use: a slim, lightweight cylindrical body with a visible metal screw cap and anti-leak function. Its narrow profile (Ø7.5 x 27.8 cm) fits easily into bags or bottle holders, while the RPET material provides a transparent, durable finish. It is easy to care for — rinse and hand-wash to preserve the cap and sealing.

Offered in several colours — for example Royal Blue, Transparent Red or Light Blue Transparent — the bottle has a smooth, seamless surface without handles, providing a broad flat area ideal for branding. The straight sides give a consistent grip and generous print area for logos and designs.

As a personalised bottle, it is customisable from a minimum of 10 pieces using digital printing, screen printing, pad printing, doming or laser engraving. Suitable for companies, clubs, associations, events and private customers. Our graphics studio can retouch or vectorise your logo. Free quote within 24 hours on weekdays.
