Country of origin	China
Carton	50 pieces

DESCRIPTION

The Drift insulated bag is designed for outdoor use and everyday journeys, offering a compact 5.5-litre capacity. Constructed from RPET with PE foam insulation and a PEVA lining, it keeps food and drinks protected while remaining lightweight. Its rectangular shape and dimensions (25 x 18 x 15.5 cm) make it easy to stow in a boot or under a seat. The item is available in several colours (e.g. Black, Blue) and suits companies, sports clubs and private customers.

Practical details include a top carry handle and an adjustable shoulder strap for comfortable transport. A front pocket provides quick access to cutlery or small items, while a double-zip closure gives a wide opening for easy loading and cleaning. The RPET polyester lining is robust and straightforward to maintain.

Personalise this personalised sport bag with screen printing on objects, multicolour transfer, DTF printing or flex. Minimum order: 25 pieces (colours and sizes combined); smaller quantities may incur additional charges. We offer a free quote within 24 hours on weekdays, an artwork studio to vectorise your logo, and collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
