DESCRIPTION

The Puri cotton shopping bag is designed for everyday use: a rectangular shape with a 15 cm gusset for increased capacity, short handles for carrying by hand or on the forearm, and a sturdy cotton fabric that gives a natural feel and good structure. Measuring 38x15x35 cm, it is a practical tote for trade shows, shops and promotional events.

Visible details — reinforced side seams and a flat base — provide stability when loaded. The straight silhouette makes branding straightforward and the bag easy to store. Care is simple: gentle wash appropriate for cotton to preserve the fabric.

This personalised shopping bag is available from a minimum order of 50 pieces. Customisation options include screen printing, multicolor transfer, DTF printing, flex and embroidery; our graphic studio can retouch or vectorise your logo. Suited to companies, clubs, associations, events and private customers seeking a robust promotional item.
