DESCRIPTION

The Activate Max bottle is a 2 L RPET water bottle designed for active use. It features a one-handed opening with an integrated straw, a safety lock to prevent accidental opening and a sturdy carry handle. The bottle is leak-resistant and has graduated markings on the body, making it suitable for sports, outdoor activities and daily hydration needs.

Measuring Ø11 x 30 cm, the bottle provides a stable grip and a wide mouth for easy filling and cleaning. The RPET construction gives a lightweight yet durable feel for regular use. The visible measurement scale helps track intake during workouts or long shifts.

This personalised bottle can be marked by pad printing, digital printing or doming for logos and full-colour designs. It is intended for businesses, sports clubs, associations and event organisers looking for a practical branded item. Minimum order: 6 pieces (colours and sizes combined). Free quotes and a graphic studio are available to prepare your logo.
