DESCRIPTION

Compact aluminium keyring bottle opener (6.1 x 3.1 x 0.22 cm), designed for everyday use. The lightweight metal body is durable while the iron split ring secures it to keys. Practical as a promotional giveaway at events, a point-of-sale accessory or a welcome gift. Care is simple: wipe with a soft cloth to maintain the finish.

Offered in several colours (for example black, green, silver) across six options. The flat profile features a functional notch for opening bottles and a smooth surface suitable for marking. Its small dimensions make it easy to carry in a pocket or bag.

Can be personalised by laser engraving or pad printing depending on the desired look. This non-textile item has a minimum order of 500 pieces (colours and sizes combined); smaller quantities may be possible with additional fees.
