DESCRIPTION

Ballpoint pen in recycled aluminium, model Siparo, designed for everyday promotional use. It features a soft-touch rubberised finish and blue ink, with standard dimensions (14 x 1 cm) that make it convenient for pockets and pads. The metal body gives a solid feel suitable for corporate giveaways.

The pen includes a push mechanism and a metal clip, plus a chrome tip and a stylus tip at the top useful at events and meetings. The matte rubberised surface improves grip and reduces fingerprints, while the chrome accents around the tip and clip give a neat, professional look.

Customisation is available by laser engraving or pad printing. Ideal for companies, sports clubs, associations, events and corporate gifts.
