DESCRIPTION

Push-action pen in recycled aluminium, model Escri, designed for everyday office use or promotional events. The rubberised barrel provides a discreet, non-slip grip while the metal clip secures the pen to pockets or notebooks. It uses blue ink and features a slim, cylindrical profile that is practical and unobtrusive.

The pen’s push mechanism and integrated clip make it easy to carry. With compact dimensions (13.5 x 1.0 cm) it’s convenient to distribute in bulk at trade shows, meetings or marketing campaigns. The matte, soft-touch finish resists wear and can be wiped clean with a cloth.

Customisable by laser engraving, pad printing and digital printing, this personalised pen is suitable for companies, sports clubs, associations, events and private buyers. Not available to order per piece: minimum order 250 items (colours and sizes combined). Our artwork studio can retouch or vectorise your logo prior to marking.
