DESCRIPTION

Compact bamboo speaker, the Recar Bamboo offers a natural finish with a black ABS base and delivers mono sound at 3 W. Its small footprint (5.9 x 5.9 x 4.9 cm) and a removable rechargeable 500 mAh battery make it convenient for on-the-go use while keeping a refined, eco-friendly look thanks to the bamboo casing.

The speaker features a circular grille on top and a sturdy ABS base with a flexible carrying loop for easy handling. The visible bamboo grain and smooth finish are easy to maintain with a damp cloth. Its compact design makes it suitable as a corporate gift or promotional item for events and campaigns.

Customisation available by laser engraving, screen printing on object, pad printing or doming. This promotional object is not available per piece: minimum order 25 units (colours and sizes combined) as indicated on the product sheet; smaller quantities may be possible with additional fees.
