## DESCRIPTION

RPET bottle with a 750 ml capacity, designed for everyday use at the office, sporting events or promotional activities. Its slim cylindrical shape (Ø7.1 x 24.8 cm) provides an easy one-hand grip and slips neatly into bags. The screw cap with an eyelet and carabiner, shown on the photo, makes it simple to clip to a bag or strap. Available in several colours such as Transparent, Transparent Blue and Lime Transparent.

The translucent finish gives a lightweight look and allows you to see the liquid level. The straight profile makes storage and handling straightforward, while the screw closure keeps contents secure during transport. Suitable for distribution to staff, event attendees or sports club members.

Customisation by digital printing, screen printing on objects and pad printing (tampography). Minimum order: 25 pieces (colours and sizes combined). Ideal for companies, clubs, associations and individuals seeking a personalised bottle. Our studio can retouch or vectorise your logo.
