DESCRIPTION

Spacious, structured beach bag Makenke in cotton with a reinforced jute base and a zip closure. Sized at 50 x 17.5 x 34 cm, it comfortably carries towels and personal items and features thick rope handles for shoulder wear. The rectangular shape provides practical volume while the reinforced base helps the bag keep its form when set down.

Practical details matter: the jute-covered base improves durability, ten jute loops strengthen the lower section and visible stitching defines the silhouette. A zip secures your belongings and the rope handles are firmly set into the top for reliable handling. Available in 1 colour (beige).

Suitable for businesses, sports clubs, associations, schools and private customers, this personalised sports and outdoor bag can be customised using screen printing on objects, multicolour transfers, DTF printing, flex or embroidery depending on the desired finish. Minimum order quantity: 25 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
