DESCRIPTION

The Aluba ballpen offers a clean, contemporary look for everyday writing. It features a recycled aluminium barrel, a recycled ABS twist section and a metal clip with a bamboo inlay. Blue ink and compact dimensions (14 x 1.2 cm) make it comfortable to hold and use.

Matte finish and the bamboo accent add a subtle natural touch without bulk. The twist mechanism keeps the tip protected when carried. Available in several colours — for example Black, Blue or White — making it suitable for office use, giveaways and promotional packs.

Not available to order per piece: minimum order 250 pieces (colours and sizes combined). Customisation available by laser engraving and pad printing. Recommended for companies, associations, events and client gifts. Free quote within 24 hours on weekdays; collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
