DESCRIPTION

Transparent drawstring bag in EVA (36x40 cm), designed for everyday use at events, trade shows or sports activities. The clear material allows quick visual checks of contents, while polyester cords provide easy over-shoulder or backpack-style carrying. Unisex model with a simple, flat shape for compact storage. Available in several colours, for example Black, White and Royal Blue.

The bag features a corded drawstring closure with reinforced cord anchors at the corners and welded seams typical of EVA/PVC items. Maintenance is straightforward with a damp cloth; EVA dries quickly and keeps a clear finish. The 36x40 cm size is practical for documents, a change of sportswear or promotional items.
