DESCRIPTION

Bamboo luggage tag in a compact size (9 x 5 x 0.2 cm), model Mio, fitted with a stainless-steel cable for secure attachment. The flat, gently rounded bamboo panel provides a natural-looking, sturdy surface that is lightweight and easy to handle. Care is minimal — wipe with a damp cloth to keep it clean.

The front features engraved lines for name and contact details, or to serve as a clear area for permanent marking. The screw-closure steel cable ensures a reliable fit to handles and straps. Slim and low-profile, the tag adds negligible bulk while remaining durable and legible in everyday travel use.

Customisable by laser engraving or pad printing, this personalised accessory is ideal for businesses, clubs, associations, events and corporate gifting. Minimum order: 400 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; in-house design studio can retouch or vectorise your logo.
