DESCRIPTION

Truck-shaped bottle opener, model Mytruck, made from zinc alloy: compact and sturdy, it slips easily into a pocket or drawer. At 8.9 x 3.1 x 0.2 cm it is a slim, lightweight kitchen utensil suitable for regular use at events, hospitality settings or as a promotional giveaway. The metal finish gives it solid durability and requires no special care.

The design reproduces a truck silhouette with a rounded end serving as the opener; the flat body provides a clear area for marking. The item is supplied in 1 colour (Mat Silver) and its thin profile makes it easy to display or include in a gift pack.

This personalised kitchen utensil can be customised by digital printing, doming, laser engraving or pad printing. Ideal for companies, clubs, associations and promotional events; minimum order: 100 pieces (smaller quantities can be produced for an additional fee).
