## DESCRIPTION

The Mixie portable blender is a practical kitchen utensil for making smoothies and drinks on the go. It has a 600 ml capacity, a PC body and a high-speed 18,000 rpm motor to blend fruit and ingredients quickly. The unit includes two rechargeable batteries and a Type-C cable for convenient charging, plus an additional lid and a handle for transport and storage.

The motor sits in the base with a simple control button, and the blades are fitted at the bottom of the cup for easy cleaning and assembly. Its size makes it suitable for workplace lunches, gym use and promotional giveaways.

This portable blender can be personalised by screen printing or pad printing, techniques adapted to rigid objects. Suitable for companies, sports clubs, associations and events. Minimum order: 10 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
