DESCRIPTION

The Rover key pouch in RPET (lined with RPET 210D) is designed to store and protect a set of keys and small accessories. Its compact dimensions (6.5 x 2.5 x 10.5 cm) and double zip provide easy access; the interior features five key hooks to keep keys organised and separate. The RPET material gives a sturdy feel and is easy to clean on the surface.

The pouch has a rounded, slightly padded profile with twin zip sliders for smooth opening, making it convenient for keys, ID badges or small cards. Available in 1 colour (black). Minimum order: 150 pieces (colours and sizes combined); smaller quantities may be possible with additional fees.

Customise this personalised keyring using screen printing on objects, multicolour transfer, DTF printing or flex depending on the finish you want. Suitable for companies, clubs, associations, events and promotional uses. We provide a free quote within 24 hours on weekdays and offer a graphic studio service to retouch or vectorise your logo.
