DESCRIPTION

Oval silicone cable organizer with a natural bamboo detail, designed to keep cables tidy on the desk. Compact (11 x 2 x 1.5 cm), it features moulded notches that hold several cables separately to prevent tangling. The silicone provides a soft, non-slip grip and is easy to clean.

The elongated shape and deep slots make routing and separating cords straightforward, while the bamboo accent offers a natural, durable finish. Lightweight and discreet, it sits flat on work surfaces and is practical for everyday office or home use.

Customisable by laser engraving or pad printing, this personalised office accessory is ideal for companies, associations, clubs and events looking for a useful giveaway. Minimum order: 200 pieces (colours and sizes combined). Free quote within 24 h on weekdays; collection in Evere or delivery in Belgium, France and Luxembourg.
