DESCRIPTION

The Kid Chef set includes a child's apron and pleated chef hat made from RPET non-woven (80 g/m²). The apron has a straight, short cut measuring 42.5 x 57 cm with a fixed neck loop and long side ties for adjustment, while the hat is gathered and scaled for children. The non-woven construction gives a lightweight yet durable feel, suitable for play kitchens and workshop activities.

The product shown features a front pocket for small utensils and visible stitching that reinforces the joins. It is offered in several colours — for example Royal Blue, Red and White — making it practical for group use in schools, events or activity centres.

This personalised Jeux d'intérieur can be decorated using screen printing, multicolour transfer, DTF printing or flex. Ideal for companies, clubs, associations, events and individuals looking for branded activity kits. Minimum order: 50 pieces (colours combined).
