Single wall bottle 1000ml

Ref. 2829

Reference	2829
Composition	Stainless steel
Material	Stainless steel
Average weight	0.177
Dimensions	Ø8 x 26.4CM
Country of origin	China
Carton	30 pieces

DESCRIPTION

This single-wall bottle holds 1 litre and is made from stainless steel. Its slender, straight profile and practical neck provide an easy grip for everyday use. As a single-wall bottle, heat transfer may occur and it will not keep drinks hot or cold like double-wall models. Dimensions Ø8 x 26.4 cm; simple to clean by rinsing and air-drying.

The bottle features a screw cap in polypropylene and a built-in carabiner for attaching to bags. Its clean finish and straight sides make branding straightforward, and the size fits most cup holders while remaining comfortable to hold.

Customisation is available from 15 pieces (colours and sizes combined). This personalised bottle can be decorated using laser engraving, digital printing, screen printing on objects, sublimation and pad printing. Suitable for companies, clubs, associations, events and private customers. Free quote within 24 hours on weekdays; standard production from our workshop.
