DESCRIPTION

Portable folding stool in polypropylene, designed for versatile indoor and outdoor use. This compact unisex model (38.5 x 30.5 x 39 cm) features a textured anti-slip seat and an integrated carry handle for easy transport. Lightweight yet stable, it supports up to 120 kg and folds flat for storage.

The molded plastic frame includes side cut-outs to reduce weight and improve grip when carrying. The ribbed seat surface provides traction and sheds water; edges and joints are finished for practicality and straightforward upkeep — a simple wash with soapy water is sufficient.

Customisation available by digital printing, doming or screen printing on the object. Minimum order: 3 pieces (colours combined). Suitable for companies, construction sites, events, clubs and individuals looking for personalised tools and torches. Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
