DESCRIPTION

This Rafia beach mat in natural straw (180x60cm) is designed for outdoor leisure. It rolls up for compact storage and features a polyester shoulder strap and a central wrap with a tie to keep it closed. The straw provides a breathable, lightweight surface suited to beach use and can be shaken out to remove sand.

Practical details include polyester edging at the ends and a fixed carry strap for hands-free transport. The straw weave combined with the central fastening ensures the mat stays secure when rolled. Care is straightforward: shake out debris, brush gently and avoid prolonged immersion in water.

Order this personalised beach mat with multicolour transfer, DTF printing or flex. It is suitable for companies, sports clubs, associations, events and individuals looking for a summer promotional item. Minimum order: 10 pieces (colours and sizes combined). Our graphic studio can retouch or vectorise your logo if needed.
