DESCRIPTION

The Hipla bum bag is made from RPET and offers a compact, practical solution for carrying essentials during events or daily outings. With dimensions of 24 x 12 x 6 cm it balances capacity and discretion; the RPET fabric gives a structured look while using recycled polyester. The model is available in several colours, for example Black, Blue and Khaki.

The bag features a zipped main compartment and a hidden zipped rear pocket, useful for separating wallet, phone and keys. An adjustable strap allows waist or cross-body wear, and the zips provide quick, reliable access.

This personalised bum bag can be decorated using screen printing, transfer, DTF printing or flex. A minimum order of 30 pieces applies (colours combined) as stated on the product sheet, making it suitable for companies, sports clubs, associations, events and private customers. Our design studio can retouch or vectorise your logo.
